This property is located near the southwest end of Willoughby Bay, Mamora Bay is an extremely well-protected bay with quiet and protected anchorage, an exclusive marina and club. The biggest draw in Mamora Bay (aside from the well-protected anchorage) is the St. James Club, an exclusive and classy resort.

Parcel 324 is .33 acres on a sloping hillside overlooking the bay and contains a two-story chalet type house built of stone and wood comprising one bedroom and bath on the upper floor and a kitchen, dining area, and bathroom on the lower level. This structure is located on the southern corner of this parcel leaving some area on this parcel for the addition of other houses to be built on this hillside overlooking the beach and Mamora Bay.
