Nestled between two villages of Seatons and Willikies is the tranquil, peaceful and spacious residence called Parsons Hall Estate House. It is located on a large acreage of fenced in land with tropical gardens and trees. With clear views of the ocean this beautifully built Caribbean Home offers amazing views of the ocean. The Parsons Hall Estate House is ideal for families of three to four persons or business partners who wish to simply live together. This two story building has modern facilities and furniture and a balcony which wraps around the entire house. Its unique wooden windows also add real Caribbean charm and protection against stormy weather. There are chairs and sofas and a dining table on the balcony for sheer relaxation or simple taking in the Caribbean sun while sipping on a glass of red wine. The lower level has a room which is undisturbed and can be used as a bedroom or an office. The property also features a separate studio building which is away from the main house.
