La Ventosa at Boons Point Estate is a serene seaside villa set in Cedar Grove, Antigua. Blending modern comfort with authentic Caribbean charm, La Ventosa is designed to make the most of its exceptional position overlooking our beach and the northernmost point of Antigua, where the Atlantic Ocean and Caribbean Sea meet.

The villa is arranged over two floors with three comfortable bedrooms, two on the upper level capturing cooling sea breezes and sunrise views, and one on the ground floor for easy access to the living areas. Bright, open-plan lounge, dining, and kitchen spaces flow seamlessly onto the garden, inviting the outdoors in and framing ocean views.
